### A NEWSLETTER OF SCD GOVT COLLEGE, LUDHIANA

Dear students

It gives me immense pleasure to invite you all to take a peep into the heart of the college. Ours is a sterling institute that has reached the momentous milestone of a glorious centennial existence. It is a moment of pride for all SCDians. Our motto **Dare to Be True** has since committed itself to live unto its professed claim. It is now all set to create new trails of success stories and to achieve new landmarks in the coming century. The world today is reshaping itself at an unprecedented pace with technology and global outlook taking the driving seat. In the current status quo, our college fully acknowledges its responsibility as the leading beacon of light in the field of education and thus is fully committed to undertake the best practices of pedagogy. For this, it intends to adopt proactive means to foster analytical thinking and multicultural orientation – both the premium qualities much needed today to ensure holistic development of a child. I fully uphold the view that there are two lasting bequests we can hope to give our children. One of these is roots and the other is wings! If parents can ensure children to be strongly rooted to their culture and values, we at SCD are fully committed to provide them wings which will enable them to soar high in life. I believe that education is a collaborative effort that involves not only professional administrators and committed teachers but also motivated students. Socrates' dictum, "Education is kindling of a flame, not the filling of a vessel," will be our motto in all our future endeavours to impart education, and no stone will be left unturned to achieve this goal.

**Dr. Dharam Singh Sandhu**  
Principal

### CAMPUS BUZZ

#### ***151st Birth Anniversary of Mahatama Gandhi Celebrated :***

The college commemorated Bapu Gandhi's 151st birth anniversary by organising a tree plantation drive along with various competitions like online quiz, poster/sketch/collage making.
